TOSM 2010

Euresys will participate, this year too, at TOSM 2010 in Torino .

For the third consecutive year, Euresys will participate to TOSM Torino Software and Systems Meeting 2010 from the 25th to 27th of March.

This year TOSM change its formula, and become the N° 1 annual meeting point annual meeting point for ICT buyers, sellers, developers and users from Italy.

If you are interested, as end-user or resellers to our software suite HEAD we will be pleased to meet you and to present our company and our products.

Euresys introduce Head: The complete software solution for integrated company management.

Head enhances your company's strategic resources by promoting development and control.

Human capital, production resources and the working environment will become invaluable opportunities for increasing the competitiveness of your business on the market.

Head is:

- **Internationalization** to have the world within your grasp.
- **Integration**, one tool for bringing together and simplifying company resources
- **Flexible computerization** for respecting existing IT environments and cutting support costs
